Salem Stamp Society

75th Anniversary

February 13, 2008

Welcome

A Special thanks to all of our membership both past and present that is making this milestone possible. I would also like to extend my personal thanks to all of our guests in attendance tonight helping the Salem Stamp Society commemorate this noteworthy event. Our program tonight will give an overview of events, stamp collecting and the early days of the Salem Stamp Society in 1933. Again thank you for making this night possible.

Bob Reynolds

Bob
